

Structure of 'Fiche section II.A-J (4.pdf through 40.pdf)

Each section has a common introduction in the first fiche for that section.

Each section then contains, in this order:

1. The forms documented in that section, and their revisions, if any the punchcards which captured the data electronically number of records for those cards.
2. 'Definition of codes' for those forms and cards by form (data dictionary and codebook)
3. Copy of the form, often blurred, and, sometimes, the instruction manual for that form.
